3X Longer Lasting with Golden Hydrophilic Fins

Our gold pre-coated hydrophilic fins use a special anti-corrosive coil material made from Epoxy Resin. They are not only more efficient, they last longer.

MAKE AIRCON DIAGNOSING EASIER

Air conditioner doesn't breakdown often, but when it happens, it takes awhile to figure out the main reason. With Auto-diagnostic function, repairs become easier because the problems of the air-con can be identified faster and more accurately.

Your comfort is our mission.
